**REQUEST FOR QUOTATION (RFQ) SUPPLY AND DELIVERY OF ONE (1)

1.BACKGROUND

The Nelson Mandela Museum (NMM) is a not-for-profit institution established by the government of South Africa as an agency of the National Department of Sport, Arts and Culture. It was established as part of a portfolio of legacy projects that seek to transform the heritage landscape from our apartheid past. At the same time, it is a resource for promoting economic development through tourism in an impoverished region of the country. The museum primarily houses collections of gifts to the nation from Nelson Mandela, intended to share his legacy.

The mandate of the Nelson Mandela Museum is to preserve and promote the legacy of Nelson Mandela, and one of its main strategic goals is to improve the museum's public profile and access. This mandate is executed through the museum's two main facilities, the Qunu Youth and Heritage Centre and the Bhunga Building in Mthatha CBD. The Bhunga Building doubles as the administrative office of the museum. The Museum has been authorised by the Department of Sport, Arts, and Culture to administer the Ingquza Hill Museum in Flagstaff and the O.R. Tambo Garden of Remembrance in Bizana.

CERTIFICATE OF INDEPENDENT TENDER DETERMINATION(SBD9)

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This State Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 National Treasury Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the organ of the state or has committed any improper conduct in relation to such system; and
 - c. cancels a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
